NOTICE PURSUANT TO TBMP 309.02(c)(1)

Opposer properly filed and served the referenced Notice of Opposition on December 7, 2015. This is evidenced by the Certificate of Service filed with the Board on December 7, 2015. Service was made by e-mail and Federal Express.

Opposer has been unable to confirm that Applicant was served. Although the Notice of Opposition sent to the e-mail address shown in the Certificate of Service was not returned and thus Opposer assumes the Notice of Opposition was received by Applicant, Federal Express advised Opposer that it was unable to deliver the Notice of Opposition to the address indicated in the Certificate of Service, which is the address of record at the Patent and Trademark Office for the application in opposition.

Opposer's counsel served the Notice of Opposition by Federal Express on December 7, 2015. On December 11, 2015 counsel received a call from a FedEx customer service representative, Nancy, who advised that the package was not deliverable to the address listed on the airbill, and the phone number on the airbill was not in service.

In the event that Applicant may have received the Notice of Opposition via e-mail as indicated in the Certificate of Service, Opposer has allowed sufficient time from the date Applicant's answer was due, January 16, 2016, to ensure that a response from Applicant would have been received. No answer or other communication has been received by Opposer.

In view of the foregoing, Opposer requests the Board act to enter default judgment.

Respectfully submitted,
